

MS Privacy Policy

This Privacy Policy describes how HATDeX collects and uses your personal information when you use MarketSquare. This Privacy Policy is incorporated by reference in the Terms of Service of MarketSquare and the MarketSquare Data Shopper Terms of Service.

Capitalized terms used in this Privacy Policy and not otherwise defined herein shall have the meaning given in the Terms of Service of MarketSquare.

1. The information that HATDeX collects and the purpose of the collection

1. HATDeX processes the following information in order to allow you to use its Services:
 - a. the information that you provide when creating your account or interacting with HATDeX, such as your name, email address, phone number, billing information and any other information that you provide to HATDeX.
 - a. the information you submit by using the chat functionality available on MarketSquare.
 - b. the data generated by your interaction with our Services, such as IP address, location and browser type.
 - c. statistics on the usage of our Services, only if you agree on providing us with them.

2. Cookies

We use cookies to improve your experience when using our our Services, to personalise your MarketSquare webpages, and to remember your preferences. By using our Services you agree to our use of cookies.

3. How HATDeX uses your information and for how long it retains it

1. HATDeX uses the information that you provided us with to contact you. HATDeX may contact you, for example, to provide you information on your HAT Account or our Services, to request your feedback or to promote our Services or the services of our partners.
2. HATDeX uses the information that you provided us with to offer you the Services, to process orders and payments, to offer you technical support, to create your HAT Account and allow you to access it on MarketSquare.

3. HATDeX uses your information to protect the security of its network and prevent abusive behaviour.
4. HATDeX uses your information to ensure compliance with the Terms and to respond to legal requests in accordance with our Government Request Policy.
5. HATDeX uses statistics on the usage of the Services for the purposes of improving their quality.
6. HATDeX will retain your information as long as it is relevant for the purposes for which it uses it.

4. Sharing your information

1. The information you submit in the chat is sent to the servers of Ejabberd SaaS.

5. Access, update and deletion of your information

1. You may request to have access to the information you provided by contacting HATDeX at userservice@hatdex.org. HATDeX will provide access to the information that you request within a reasonable period of time. HATDeX reserves the right to charge a reasonable fee for access requests.
2. You may update the information you provided on the webpage of your HAT Account.
3. You may request HATDeX to delete the information you provided by contacting HATDeX at userservice@hatdex.org. HATDeX reserves the right to retain certain information when the law authorises or requires it to do so.

6. Personal information of third parties hosted by our Users

1. HATDeX's Users are solely responsible for their collection and use of third parties' personal information on the HAT network.

7. Security of information

HATDeX deploys multiple layers of protection to protect personal data stored in the HAT, whether at rest, in transit or in use. A detailed description of how we secure your information is available available on our security whitepaper at <http://www.hatdex.org/volume-1-issue-2-17-june-2016/>

8. Privacy policies of third parties

1. HATDeX bears no responsibility for the policies applied by third parties on the collection and use of your information. When your information is shared with third

parties in accordance with this Privacy Policy, the collection and use of such information by third parties will be subject to their privacy policies as well as the laws applicable to them.

9. Changes

1. HATDeX may change this Privacy Policy by uploading a new version on its website. HATDeX will notify you, when changes will affect your privacy. If you continue to use our Services following the upload of a new version of this Privacy Policy on HATDeX's website, it means that you accept the changes.
